Requesting a replacement property card via specialist shops

Plant name / code

--	--	--	--	--	--	--	--	--	--

Owner

Legally binding declaration:

I hereby declare that I am the owner (the designated representative of the owner) of the above mentioned master key system.

To confirm my declaration, I make the following specifications relating to the master key system. Without indicating the key number of the master key or grand master key and a minimum of 3 key codes belonging to the master key system, a new property card cannot be issued

Plant size = _____ cylinders

Key codes belonging to the master key system:

MK/GMK=		

The currently valid property card has been lost, I therefore request a replacement property card with new code. When receiving the new property card, I accept that all reorders for the above mentioned master key system will be accepted by specialist shops only on presentation of the new property card.
