Request for a replacement-registration card by a specialized dealer

Keying system / Code

--	--	--	--	--	--	--	--

Owner

Legally binding declaration

I hereby declare that I am the owner (the identified agent of the owner) of the keying system referred to above. In confirmation of my statement, please find the following detailed information concerning the keying system. A new registration card cannot be issued, unless the keying number of the master key respectively the grand master key is specified along with at least 3 keying numbers out of the keying system.

Size of the keying system = _____ Cylinders

Keying number out of the keying system:

HS / GHS=
Master key/General Master Key

I am requesting that a replacement-registration card with a new code be issued because the registration card, that is currently valid has been lost. Upon receipt of the new registration card, I acknowledge that repeat orders for the keying system referred to above, are accepted on presentation of the new registration card through a specialized dealer, only.
