

Request for a replacement of a security card via specialized dealer

Locking system - nr.:

Owner

Legally binding declaration:

I hereby declare that I am the owner (the owner's designated representative) of the above-mentioned locking system.

To confirm my statement, you will receive more detailed information on the locking system below. No new security card can be provided without the locking number of the master key or general master key and at least 3 other locking numbers from the locking system.

As the currently valid security card has been lost, I ask for a replacement security card with new coding to be provided. With receipt of the new security card, I acknowledge that all subsequent orders for the above-mentioned locking system can only be accepted by the specialized dealer against presentation of this new security card.
